

Mission Statement of Collegium Charter School

The Collegium Charter School Community will work tirelessly to ensure the highest possible futures for our students, to nurture them, to empower them to recognize in themselves uniqueness and talent, to initiate in them scholarship and responsibility, and to develop in them the desire for a lifetime filled with optimism, generosity, character and confidence.

Our goal will continually be to prepare each student for the rigors of college life and to hold ourselves and our students accountable for our mutual success.
