

Thank you for your interest in using the PowerSchool Mobile App. These instructions will walk you through logging into your PowerSchool parent portal account from any mobile device using this application.

1) Download the PowerSchool Mobile App

2) When the download is complete, open the application.

3) At the sign in screen enter the District Code CCCX. *(A green check mark will appear to the right of the code once it's confirmed.)*

4) Enter your PowerSchool Student or Parent online portal username and password.*

5) Click sign in.

*Instructions for creating an online PowerSchool parent account can be found on our website at:
<http://www.collegiumcharter.com/documents/PowerSchoolParentLoginInfo2016.pdf>

Students who wish to use this application may do so by using the same District Code (CCCX) and their PowerSchool Student username and password. Students do not need to create an online account.

**Questions about this process?
Please email powerschool@ccs.us and a member of
Collegium's I.T. Department will reply.**
